From the Desk of the JAINA President

Jai Jinendra.

It is with immense pride and heartfelt joy that I extend my warmest greetings to each of you gathered for this year's YJP Convention. The theme, "Lighting the Path Forward," could not be more timely or more powerful. In a world that often feels uncertain, your collective energy, vision, and commitment to "Be the Change" illuminate the way forward—not just for yourselves, but for our entire Jain community.

This convention is more than a gathering—it is a movement. Through dynamic workshops like "Speak. Build. Connect." and transformative sessions such as "Unmute Yourself" and "Blueprint to Business," you are cultivating the skills, confidence, and clarity needed to lead with purpose. The Shark Tank experience showcased your entrepreneurial spirit, while guided networking fostered meaningful bonds that will ripple far beyond this weekend.

And let's not forget the delightful all-vegan menu—a delicious reminder that our values of ahimsa and compassion can be celebrated in every bite.

As President of JAINA, I am inspired by your passion and your potential. You are the torchbearers of our timeless principles, anchored in non-violence, truth, and self-discipline—yet unafraid to innovate, question, and create. You are proving that Jain values are not relics of the past, but blueprints for a more conscious and connected future.

Let this convention be a spark. Carry its light into your careers, your communities, and your causes. Speak with courage. Build with integrity. Connect with compassion. And always remember: the path forward is not something we find—it is something we forge, together.

With admiration and hope,

Bindesh Shah

President, Federation of Jain Associations
in North America (JAINA)

PHILIP D. MURPHY
GOVERNOR

November 7, 2025

Dear Friends,

On behalf of the Great State of New Jersey, it is my honor to extend warm greetings to all those attending the Young Jain Professionals (YJP) National Convention.

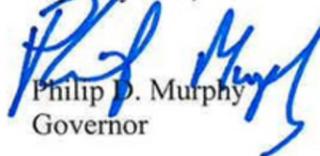

New Jersey takes immense pride in its rich cultural and faith-based diversity – communities that contribute daily to our social, civic, and economic fabric. The Jain community, with its guiding principles of *Ahimsa* (non-violence), *Anekantavada* (many-sidedness), and *Aparigraha* (non-possessiveness), has long exemplified the moral leadership and spirit of service that make our State stronger.

This gathering of bright, passionate young professionals reflects the very best of that tradition. The YJP Convention offers a unique platform to connect, learn, and grow – fostering dialogue around leadership, entrepreneurship, sustainability, and ethics in an increasingly interconnected world. Your commitment to self-improvement and community upliftment mirrors the values that drive New Jersey's innovation economy and civic life.

As Governor, I am proud to celebrate your achievements and the Jain community's enduring contributions to our shared prosperity. May this event inspire continued collaboration, compassion, and purpose in every endeavor you pursue.

Congratulations on another successful convention, and best wishes for an enriching and meaningful experience.

My very best,

Philip D. Murphy
Governor

A Letter from the Co-Chairs

November 7–9, 2025 | Somerset, NJ

A Message from the Co-Chairs Young Jain Professionals Convention 2025

Jai Jinendra,

Welcome to the YJP Convention 2025 Souvenir Book! When we began planning this convention back in August 2025, our goal was simple: to create a space where young Jain professionals could gather to learn, connect, and draw inspiration—not just from accomplished speakers and structured programs, but from one another. What actually materialized far surpassed that initial vision.

This year’s convention brought together over 120 attendees from across North America, representing a dynamic mix of industries, backgrounds, and experiences. We were honored to kick off the weekend with remarks from the Consul General of India (NYC), Binaya Pradhan, followed by inspiring keynote sessions from Sahil Kothari, Chirag Shah, and Mansi H. Shah. Each of them offered thoughtful insights on leadership, resilience, values, and professional growth. Our specialized workshops, networking sessions, and the high-energy YJP Shark Tank competition further highlighted the creativity and intellectual rigor present within our community.

But the true spirit of the weekend came from you—the attendees who brought your curiosity, vulnerability, humor, discipline, and a willingness to engage deeply. Whether you were dancing late into the night, pitching an idea, mentoring someone younger, or simply sharing a meal with a new acquaintance, your presence shaped this convention into something truly meaningful.

We are deeply grateful to our partners—ICICI Bank US, Arihanta Institute, Akshaya Patra, House of Spice Laxmi, and Luvin Arms Animal Sanctuary—and our many other supporters, for believing in our work. And, of course, none of this would have been possible without our dedicated YJP Convention Committee, who executed this effort with both professionalism and heart. Events of this magnitude only happen because a passionate community of volunteers chooses to step forward.

As you flip through this souvenir book, we hope it recaptures the energy and connection you felt throughout the weekend. More importantly, we hope it serves as a powerful reminder that our shared future, as professionals and as Jains, is a future we build together.

Thank you for being a part of this journey with us. We look forward to growing with you in the years to come.

Lighting the Path Forward

Our Theme

Lighting the Path Forward represents both a belief and a defining moment for Young Jain Professionals. Every journey begins with an inner spark of curiosity and purpose, but it is through community - mentors, peers, and shared experiences - that the path becomes illuminated. Grounded in Jain values, we move forward with intention, aligning our spiritual roots with our personal and professional aspirations.

This convention reflects a renewed sense of momentum for YJP - bringing our community together to reconnect, reimagine, and build what comes next.

Our Logo

The **flame** represents the spark of energy and passion that initiates growth within each of us.

The **J (“aum”)** symbol is an ode & salutation to the five supreme beings in Jainism which root our everyday lives.

The **arcs** are leaves representing growth, movement, and connection.

The **three** colors tell our story: **gold** for inner wisdom, **blue** for spiritual roots, & **green** for new beginnings.

Lighting the Path Forward reminds us that we don't need all the answers, only the courage to take the next step and the support of a community walking alongside, shaping the future of YJP together.

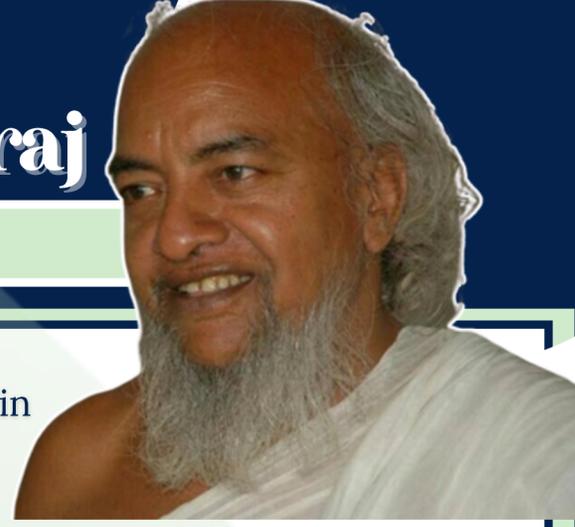

Voices Illuminating the Path Forward

Meet the Speakers

Pujya Panyas Dr. Arunvijayji Maharaj

With deep reverence, we bow at the auspicious lotus feet of Maharajsaheb, whose blessings inaugurated the YJP Convention

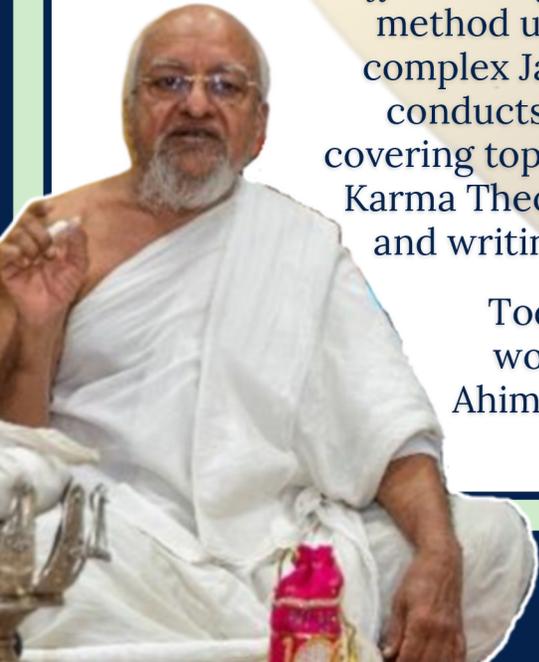

Born in Bijapur, Rajasthan, Pujya Panyas Dr. Arunvijayji Maharaj has devoted his life to illuminating the path of Jain Dharma through his profound knowledge, boundless compassion, and tireless service.

Taking Diksha at just 18 years of age, his deep devotion and brilliance led him to master multiple languages, including Hindi, Gujarati, Marathi, Sanskrit, and Prakrit, in addition to earning two doctoral degrees—a Ph.D. in Comparative Religions and a Doctor of Literature (D.Litt.) from Delhi University. He pursued advanced study of the 45 Jain Agams, ultimately attaining complete mastery and being conferred the honored title of Panyas (Pandit). Pujya Arunvijayji Maharaj has organized numerous national and international conferences for research scholars in multiple languages, including Sanskrit, and has authored over 50 books and many research papers, all of which are freely accessible through the JAINA eLibrary.

Beyond his lifelong pursuit of knowledge, Pujya Panyas Dr. Arunvijayji Maharaj has rendered invaluable service to Jain Dharma by revitalizing sacred tirths such as Hathundi and by establishing the Veeralayam Jain Tirth in Pune. He disseminates the teachings of Bhagwan Mahavir through shibirs, daily kriyas, discourses, and extensive publication efforts.

Pujya Arunvijayji Maharaj is especially known for his distinctive teaching method using blackboard illustrations, through which he presents complex Jain concepts with clarity using simple visual diagrams. He conducts four virtual classes daily in English, Gujarati, and Hindi, covering topics such as Ayurveda, Aagam Shastra, Jain Metaphysics, and Karma Theory. Through his unique pedagogical approach, discourses, and writings, he has guided and inspired seekers for over 57 years.

Today, through virtual platforms, his teachings reach seekers worldwide, spreading Bhagwan Mahavir's eternal message of Ahimsa (non-violence), Anekantavada (multiplicity of viewpoints), and Aparigraha (non-possession).

VISION

No child in India shall be deprived of education because of hunger

MISSION

To feed 3 million children every day by 2030

Akshaya Patra is the world's largest NGO school meal program, providing hot, nutritious lunches to over 2 million children in 24,000+ schools across India every day.

Akshaya Patra means the unlimited bowl of abundance and sustenance. From small beginnings in 2000, serving 1,500 meals to a small group of local schools, we have now **served over 5 billion meals**. Through frugal innovation, the organization has built world-class, highly efficient kitchens that can **cook 10,000 to 250,000 meals within 6 hours daily**.

Over the past 25+ years, Akshaya Patra has scaled to serve meals to over 2.35 million children in 24,000 schools in **16 states and 2 Union territories in India daily**.

We source local produce, operate **78 kitchens**, and transport hot, nutritious meals in custom-designed vans up to a distance of 40 km. Often being the only meal in the day for the child, it serves as a critical intervention addressing hunger and education.

Our Impact

Impact studies show Akshaya Patra's meal program has resulted in:

- Increased enrollment and retention (especially for girls)
- Improved nutritional status,
- Lower dropout rates
- Improved focus in the classroom and overall academic performance
- Strengthened Social Development

\$20 FEEDS A CHILD FOR AN ENTIRE SCHOOL YEAR.

Innovation and Quality: Meals are served from 77 ISO 9000 standard kitchens within a radius of up to 40 kms via custom-built trucks in insulated containers with strict quality control measures.

Cost Effective: In partnership with India's State and Federal governments, Akshaya Patra can feed one child for an entire school year for just \$20.00.

Technology: We use Six Sigma, Kaizen protocol, including IoT, blockchain technology for increasing efficiency and productivity in operations.

Efficiency: It takes just 5 hours to prepare 185,000 meals in the Hubli central kitchen each day; roti machines can prepare 60,000 rotis every hour; rice for 500 meals is cooked within 15 minutes using unique steam based technology.
